

# TOGETHER WITH ONE ACCORD

## EXPECTING

### *Prayer:*

Heavenly Father, we come before you today seeking a renewed heart. We do that through the confession of sin and desiring you to place a right spirit within us. Restore to each of us the joy of your salvation and uphold us with a willing spirit.

Lord, we pray for revival. Show us if we are or are not bearing fruit for your glory. Our mission doesn't change, but our means may need to in order to improve and strengthen your mission here on earth.

We wholeheartedly pursue that The Salvation Army will always be a movement for the dignity and betterment of all peoples. Use us to bring about improvements in education and healthcare for the sake of others. We follow in Jesus' footsteps by being concerned about the total person - body, mind, and soul. We do this through our own personal ministry and the ministries of our corps and centers.

For Christ's sake we pray these things. Amen.

### *Reflection and Practice*

- Are you involved in a specific ministry at your local Salvation Army? Is God calling you to a specific area of ministry through your corps or center?
